**Stone Burier:** Reverse tiller for stony soil and old lawns.

Rough grade the terrain in an instant. Large stones are worked into the soil and buried. Grass and old lawn are cut back and the soil firmed with a roller in one step..

Width	28" / 36"
Weight	154 / 319 lbs
For	Rapid M / Rapid E

**Rapid Mulcher:** For mulching and fine-mowing.

Extremely clean cut for grass, wild growth, vines and trees. Branch thicknesses of up to 2" Equipped with hardened cutter supports and armored cutter bearings. The cutters are pendular-mounted and thus avoid solid obstacles.

Width	44"
Weight	348 lbs
For	Rapid E (Rapid M-coming soon)

**Rotary Harrow:** Fine grade, cultivate and level soil

Fast and effective-ideal for final grading before seeding. Other applications.: removing old layers of lawn, servicing gravel paths and drives, and removing weeds. Great for ball fields.

Width	30" / 40" / 50"
Weight	198 / 253 / 319 lbs
For	Rapid M / Rapid E / Rapid E

**Safety Mulcher:** For mulching shrubs and young growth. Tree branches of up to 2" in diameter are cut and chopped up finely and then deposited neatly and evenly.

The balanced worm shaft with its fixed, multi-tooth cutters made of high-strength special steel revolves at a speed of 5,000 rpm.

Width	44"
Weight	348 lbs
For	Rapid E
